The groups below this line are the ones created by us. As we announced on our course web site via Mergen " Students, who did not specify any group information until March, 11 will be assigned to groups by us according to their student numbers. After the deadline there is no possibility of changing the assigned groups/group members. " https://mergen.anadolu.edu.tr/courses/82911/discussion_topics/579623
